Dear Sirs,

Thank you for your most recent request for information regarding Mr Rahul Jain, Consultant Orthopaedic Surgeon, with regard to provision of medicolegal reports.

Mr Jain's Terms and conditions of business:

1. Mr Jain aims to see clients within four to six weeks of receipt of medical records/instructions. Clients will be seen in a special clinic at the enclosed locations.
2. Clients are sent an appointment letter and medicolegal questionnaire prior to their appointment. The questionnaire is designed to collect their thoughts about events that may have occurred a long time ago. The questionnaire can be photocopied by the client prior to being seen. If not done, after the consultation it will not be shared.
3. Clinics are held throughout the week, weekends and some evenings. Most venues rotate on a 4-6-week basis.
4. Mr Jain aims to have the completed report sent off to the commissioning agent within ten working days.
5. Mr Jain prefers all GP and Hospital records to be gathered by the commissioning agent, and it is preferable to have these sent with the original letter of request. These are acceptable via email or an online portal. Mr Jain does not accept paper records. Radiology review must be accompanied with the Radiologist's report.
6. All bookings to be made through my secretary via the above email address.

I hope this information will suffice at present but please get in touch if you have any further queries.

Kind regards.

Yours sincerely,

Mr Rahul Jain MBChB FRCS Dip Ortho Engin (FRCS Tr. & Orth)

Consultant Orthopaedic Surgeon and Independent Medicolegal Expert
